

Light of My Life

Unto You, Lord, I lift my eyes
when life is too hard to face on my own
Take my hand, Lord please guide my feet
when darkness surrounds and all hope is gone

※

You are the light of my life, I worship you
Only with You by my side I dare walk through the night
You give me strength when I'm weak, I praise Your name
Only with You by my side I can go on

Unto You, Lord, I lift my eyes
when life is too hard to face on my own
Take my hand, Lord please guide my feet
when darkness surrounds
When all hope is gone bring me safely home
