

The Promise

If you trust and believe, by faith you will receive
the promise, the promise

If you trust and believe, by faith you will receive
the promise, the promise of God

The head, not the tail

Above, not beneath

A lender, not a borrower (×3)

That's the promise, the promise of God

God said it! I believe

God said it! I believe the promise

Said it! I believe

God said it! I believe the promise (x times)

God said it! God said it! (x times)

The promise! The promise! (x times)

God said it!
