

# ***You've Got a Friend***

A1

When you're down and troubled

And you need a helping hand

And nothing, nothing is going  
right

Close your eyes and think of me

And soon I will be there

To brighten up even your  
darkest night

B

You just call out my name

And you know wherever I am

I'll come running to see you  
again

Winter spring summer or fall

All you got to do is call

And I'll be there, yes I will

You've got a friend

A2

If the sky above you should  
turn dark and full of clouds

And that old north wind  
should begin to blow

Keep your head together and  
call my name out loud

Soon I will be knocking upon  
your door

C

Ain't it good to know that you've  
got a friend

When people can be so cold

They'll hurt you and desert you

And take your soul if you let  
them

but don't you let them
