

My joy

A) Oh Lord You have turned my mourning into dancing

Over and over and over again

Oh Lord You have turned my sorrow into joy

Over and over and over again

B) You have been my shield, the lifter of my head

You are my joy, You are my joy

I will always worship You

I will always worship You, for You

You are my joy, You are my joy

I will always worship You

I will always worship You, for You

You are my joy, You are my joy

C) You turned my mourning into dancing

Over and over

Over and over and over and over again!
